Grade 8-12 Tutoring Services

LEER South Africa

Leading Edge Educational Resources Pty (Ltd)

Maths, Science, Technical Maths, Technical Science, Maths Literacy, Life Science, English, Accounting, CAT, EGD

WHY A TUTOR?

Tutoring helps to strengthen the understanding of the subject, increase confidence and build important learning skills. Tutoring gives learners the individualized attention they normally don't get in a crowded classroom. It also keeps learners on track throughout school holidays.

"If I have seen further than others, it is by standing upon the shoulders of giants." — Isaac Newton

WHY CHOOSE LEER SOUTH AFRICA?

Our Grade 8-12 Learner Support Programme is structured to fill the gap between traditional classroom learning and additional education support usually expected from home. Its main purpose is to enable learners to appreciate the content that they have learned in the classroom and to further assist them in pursuing higher education in science and technology related subjects.
